Bylaws update

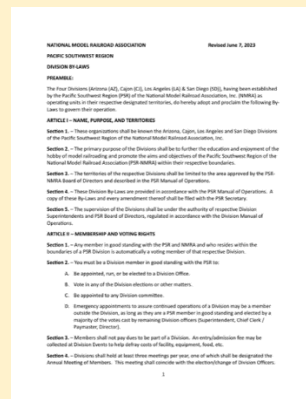

At the recent PSR convention in Flagstaff, the PSR Board of Directors voted to establish standardized division bylaws. There is one corporation for the region and the divisions are sub entities to that corporation. For that reason, it is wise to have one bylaw set for all divisions. Thanks to Chris Thompson, the Chair of the AZD Bylaws Committee, the final version does not materially change how we are operating the AZD. Mostly it is an update of the bylaws we have had for 35 years. Yes, 1988 was the last revision.

We will be voting to approve the new bylaws in July. **YOUR VOTE IS IMPORTANT.** To be ready for the vote, the new bylaws and an analysis of the changes are on the AZD website:

They are all on the LIBRARY pulldown on the website.

The screenshot shows the website for the Arizona Division of the Pacific Southwest Region of the National Model Railroad Association. The header includes the organization's name and a navigation menu with links for Home, Calendar, Leadership, Library, Photo Gallery, and Achievement. A dropdown menu is open under the Library link, listing 'Latest Spur Line Edition', 'Past Spur Line Editions', 'Contest Results Archive', 'AZD 1988 Bylaws', 'AZD 2023 Bylaws', and 'AZD Bylaws comparison 1988 vs 2023'. The 'AZD 1988 Bylaws' and 'AZD 2023 Bylaws' items are highlighted. Below the navigation, there is a 'Division Fall Meet' section with a circular logo and a Facebook icon.
