

## Summer ISSUE

July 2023

### **Bylaws Update**

At the recent PSR convention in Flagstaff, the PSR Board of Directors voted to establish standardized division bylaws. There is one corporation for the region and the divisions are sub entities to that corporation. For that reason, it is wise to have one bylaw set for all divisions. Thanks to Chris Thompson, the Chair of the AZD Bylaws Committee, the final version does not materially change how we are operating the AZD. Mostly it is an update of the bylaws we have had for 35 years. Yes, 1988 was the last revision.

Voting is now underway, to view the new bylaws and an analysis of the changes go to the AZD website: <https://www.azdiv-nmra.org/> under the Library tab.

### **Valley of the Sun SubDivision Meets**

Our goal for the second half of 2023 is to have meets in the East and West Valley Subdivisions. If you live in the valley and have an idea of a place to meet for lunch or special layout(s) to visit, please let me know.

That's all the news for now from me. Keep modeling and enjoy your summer.

### **PSR Flagstaff Convention**

#### *Wrap Up*

In talking with folks at the convention, I rate it as an overwhelming success. Everybody I talked with was having a good time. The train ride to the canyon was a hit.

#### *Finances*

The attendance at the convention was *way* below expectations, due to many factors. We had almost 300 at the last convention we hosted (2019). We thought we were conservative when we expected about 225 and planned on coming out even at about 200. The actual attendance was 174.

Things were looking gloomy financially in May when I sent an Email blast to the Members. Many folks, even some who did not even attend, stepped up with donations and other assistance. Attendees were generous with their purchase of drinks and tickets for both the Hobo Auction and the raffle prizes. All of this contributed to the bottom line. The division may come out of this with only a slight financial loss. It will be another few weeks before we have the final accounting.

#### *Announcements at the Convention*

- Chris Thompson was announced as the AZD Director Elect. He will take office in September.
- Paul Buhrke received the Member of the Year award from AZD for his contributions as Chair of the Members' Aid Committee and starting up the Sonoran (southern AZ) Subdivision.

## *Videos*

There are videos coming out about our convention and train trip.

Dale and Karyn Angell of Toy Man Television on YouTube were our guest speakers. They have already started a series of videos based on things they shot at the convention. The opening episode is on Dale's channel (link below) with additional ones showing up every few days.

Another YouTuber, RV Railfan Videos, chased the train and got some great footage, including some amazing wildlife shots, including the one that is on the thumbnail. Check it out here:

If you didn't get to the convention, you can see what you missed. If you did, there are some great memories in these videos. Enjoy!

## *Build & Send Video on the web*

Our May Zoom meeting included a short clinic by Richard "Mossy" Mossholder, a member of the PCR Redwoods division. Mossy discussed "round robin" construction where several modelers plan to build a small display or diorama for use on one of the group's layouts. After several months of mailing the display between members, it gets delivered to the recipient, ready to put on his layout. It's a way to have a bit of your friend's imagination and talent on your layout.

The video of the clinic is on Bruce's Vimeo channel. Here's the link:

## *Jeff Liedl Estate*

The AZ Division Member Aid Committee held an estate sale at Jeffery Liedl's house to dispose of his railroad. We managed to sell of the bulk of his holdings, including his layout. A very hearty thank-you to those NMRA members who came out and supported this event. His widow was most appreciative and surprised with the results.

*Sharon Fosnight*

*It is with a heavy heart that I inform you of the death of Verryl Fosnight's wife Sharon in mid-June. Verryl and his son, David, are in my thoughts at this juncture.*

## Get to Gathers

### *Sonoran subdivision Meet*

Paul Buhrke is coordinating the mini meets for Southern Arizona (called the Sonoran Subdivision). The next planned meet is: July 8, starting at 10 AM at:

*Coco's Bakery Restaurant*

*7250 N Oracle Rd*

*Tucson, AZ 85704*

Layout tour after lunch meeting at Paul Buhrke's house.

### *High Country Subdivision Meet*

Terry Fearn (our retiring Director) is coordinating the High Country (Northern Arizona) mini-Meets. The next planned meet is 8/1 at 11 AM at:

*Anna's Place Grand Canyon Cafe*

*137 W Railroad Ave*

*Williams, AZ 86046*

Layout tour after lunch meeting at Mike Guinn's house.

### *Zoom Meeting in July*

Our 3rd Saturday meet in July will be on Zoom on July 15 at 10 AM (MST or PDT). George Bogatiuk from SoundTraxx will be sharing some Tsunami2 Tips and Tricks. Join us for a bit of camaraderie, news updates and a chance to share your current projects and concerns.

Here is the link to join the Zoom meeting that Saturday morning:

### *Scale Trains Road Show comes to Tucson.*

They will be at SASME on Wednesday August 16th at 7 PM. Bruce had the opportunity to see them at AMRS about a year ago. It is a good show and chance for fellowship.

SASME

1828 E Winsett St, Suite A

Tucson, AZ 85719

### *Executive Advisory Committee*

The new bylaws rename this committee from the Leadership Committee to the "Executive Advisory Committee" as Bruce had set it up. So, in the spirit of change, let's call it by its new name.

It consists of the elected officers and the Chairs of all the committees.

We have been meeting on Zoom for about an hour in most months. Our next meeting is July 10 at 7 PM.

## What's on Your Bench

Send me pictures of what you are modeling, in process or complete. Once complete bring it to the next meet, enter in the contest, get it evaluated for AP merit award , or just display it for others to get motivated to start building.

I have been scratch building a small coal mine for my Hon3 layout over the last couple of months. Very slow but will get there someday. Hope to have it done by the next meet. Cleanup, more weathering, and details should finish it up.

Please send pictures and description of yours for next SpurLine

Volunteer to be a judge and you will find it rewarding and may even improve your modeling skills. Every time you are a contest judge you qualify for 1 point towards the Association Volunteer certificate.

PULLING IT TOGETHER: We need more participation in the operations of the Division. You get out of the NMRA in proportion to what you put in. Every officer and committee Chair needs an assistant. Please step up. Thanks to those who are helping to make Arizona the best division it can be. We all appreciate your efforts.

contact any AZ Div. Officer for more INFORMATION!

“The “SPUR LINE” is the official publication of the Arizona Division, Pacific Southwest Region, National Model Railroad Association (NMRA), and is published three times a year in Scottsdale, Arizona. The “SPUR LINE’ is available to all members of the NMRA who live in Arizona.

**RESPONSIBILITY:** Except for official reports, all opinions are those of the authors, and do not necessarily represent those of the Arizona Division or its parent organizations.

**SUBMISSIONS:** Contributions of articles on any railroad or model railroading topic of interest to the membership are welcome. There is no compensation, but published articles can be credited to the NMRA Author Achievement Certificate. If you are interested in submitting articles, event information, or other information of interest to the members of the Division, please follow these guidelines:

1. Preferred method is by email to the Spur Line editor with the submission attached as a word text document.
  2. Keep in mind that submissions may be edited for length or formatting, or not used, at the discretion of the editor.
  3. Submission deadlines for publication are: **December 1st., April 1st. and July 1st.”**
